Part No. & Description	SBPA Systems™ Boiler Pendant Adapter
Weight	15 lbs.

Features and Benefits

- Used with Safway Systems™ Side Brackets (SBK2, SBK33, SBK3)
- For use on pendant tubing, providing another access option when performing boiler inspections and maintenance
- **Longevity:** Hot-dip galvanized to withstand harsh environments
- **Easier assembly:** Attaches to pendant tubes to create support for Safway Systems™ Side Brackets; Fits pendant tubes from 1¾" to 3" diameter (tubes must have sufficient strength to support the SBPA and provide a 7/16" space for installation of backer plate)
- **Efficient:** Saves time and equipment vs. erecting scaffold from below
